(b) if the former is higher, what is the reason for embarking upon such a high capital intensive project?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS IN THE MINISTRY OF AGRICULTURE (SHRI R. PRABHU): (a) According to the latest estimates, the cost of production of Urea for the gas-based projects at Vijaipur and Aonla on the HBJ pipeline, and that of an existing naphtha based plant are as follows:—

	Rs./M.T	Based on capacity utilisation
(i) *Gas based*		
Vijaipur	4164	80%
Aonla	4413	80%
(ii) *Naphtha-based*		
IEL, Kanpur	3163	80%

(b) Any comparison between the cost of production of a gas-based and a naphtha-based plant would be unrealistic as the price of gas is higher compared to that of naphtha which is concessional for fertilizer production. Moreover, there are significant variations in the cost of production due to the cost of capital equipments, vintage of the plants, raw material input-consumption, etc. New fertilizer plants based on gas have to be set up to utilise natural resources and also to bridge the gap between supply and demand.

Upgradation of PDIL and FEDO

1383. SHRI SUKOMAL SEN: Will the Minister of AGRICULTURE be pleased to state:

(a) whether there is any proposal to upgrade the Projects and Development (India) Limited (PDIL) and FACT Engineering and Design Organisation (FEDO) to make them-self-sufficient in fertilizer technology to stop drainage of valuable foreign exchange;

(b) if so, what are the details thereof; and

(c) if not, what are the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS IN THE MINISTRY OF AGRICULTURE (SHRI R. PRABHU): (a) to (c) Projects and Development India Limited and FACT Engineering and Design Organisation have already developed substantial expertise in fertilizer technology and have tie-up with foreign Consultants to keep their technology updated. Government will consider sympathetically any proposals that may be received from these organisations for upgrading and upgrading their technology.

Civic complaints of residents of multi-storeyed flats on Peshwa Road, New Delhi

1384. SHRI SUKOMAL SEN. Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) the name of enquiry office which attends to the civic complaints of the residents of multi-storeyed flats on Peshwa Road, New Delhi;

(b) the number of complaints received from the residents from 1st August, 1987 to date which are pending in the books of the Enquiry Office and which have not been attended to; and

(c) whether it is a fact despite several re-minders, the CPWD staff have not cared to attend even to urgent complaints of the residents like chokage of drains, seepage in kitchen, drawing room or bed room;

(d) whether it is a fact that due to non-attendance of complaints, the

campus presents a shabby and dirty look; and

(e) if so, what steps Government propose to take in the matter?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) The name of the enquiry office which attends to the civic complaints of the residents of multi-storeyed flats on Peshwa Road, New Delhi is CPWD Service Centre, Sector-I, Gole Market, New Delhi.

(b) The total number of complaints logged at the Service Centre from 1.8.87 to 15.11.87 are 1608, out of which 1464 number of complaints were attended to. As on 15-11-87, 144 number of complaints were pending.

(c) The complaints relating to choking of drains and seepage are attended to promptly and, as far as possible, such complaints are not allowed to remain pending for more than two days.

(d) The compus is generally clean and compares well with other Government colonies.

(e) Does not arise in view of reply against (d) above.

Government's policy towards fertilizer plants

1385. SHRI SUNIL BASU RAY: Will the Minister of AGRICULTURE be pleased to state:

(a) whether is the policy of Government towards the Hindustan Fertilizer Corporation's plants in Barauni, Durgapur, Haldia and Namrup so that these plants could be brought back to solid footing; and

(b) what are the details in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS IN THE MINISTRY OF AGRICULTURE (SHRI R. PRABHU): (a) and (b) Government have already approved appointment of foreign consultants for conducting an end-to-end survey of the Barauni, Durgapur and Namrup plants of Hindustan Fertilizer Corporation Ltd. As regards the Haldia Fertilizer Project which is not operational yet, consultants are also being engaged to undertake its end-to-end survey.

Reliance World Cup Cricket Tournament

1386. SHRI M. A. BABY: Will the Minister of INFORMATION AND BROADCASTING be pleased to state what are the details of the agreement arrived at with the Joint Managing Committee for the Reliance World Cup Cricket tournament regarding the conditions of direct telecast of the events, and its monetary implications?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI AJIT PANJA): No agreement was arrived at with the Joint Managing Committee for the Reliance Cup Cricket Tournament regarding the conditions of direct telecast of the matches. However, it has been decided by the Government that sports organisations organising or sponsoring sports events pertaining to their own field can be treated as advertising agents for the purpose of advertisements on Doordarshan only when such advertisements are to be shown, during the time the particular sport event is telecast. All advertisements secured by them for this purpose will entitle them to get a commission on 20 per cent. Such sports organisations will have to be recommended by the Department of Sports. This position was accepted by the Reliance Cup Organising Committee.

Staff quarters for TV/AIR employees

1387 SHRI GOPALA RAO RAO: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether there is any proposal to construct quarters for officers and em-
